10/21/2021	Email	<p>Hello, My sister is in California on vacation and commented on their double decker bridge, the bottom level traffic going in one direction and the top level going in another direction.</p> <p>I'm curious to know if this solution was considered instead of building a 3rd bay bridge to Kent Island.</p> <p>I look forward to your reply.</p> <p>[Name Redacted] [Address Redacted]</p>
10/25/2021	Email	<p>Good Afternoon, I hope this email finds you well. I have a few questions regarding the Tier 2 Study on behalf of constituents--when will the study begin now that Tier 1 is complete and is there a timeline for when public involvement will begin? Thank you.</p> <p>Best, [Name Redacted]</p>
