

**Bay Crossing Study Public Comments  
November 1, 2021 – November 30, 2021**

DATE	MEDIUM	COMMENT
11/9/2021	Email	<p>My name is [Name Redacted], my wife [Name Redacted] and I live with our two boys in Atlantis. I have a question about the Bay Bridge replacement project.</p> <p>&gt; If the state is accepting comments from the public about design features, I want to suggest including space for a separated bike lane and pedestrian walkway, along with an observation deck, as part of any new crossing.</p> <p>&gt; I think these features could encourage biking and walking among county residents and visitors, and bring in tourism dollars to the county and tax revenue to the state.</p> <p>&gt; Regards, [Name Redacted]</p>
