

CHESAPEAKE BAY CROSSING STUDY TIER 1 NEPA

Maryland
Transportation
Authority

U.S. Department of Transportation
Federal Highway Administration

As part of the Chesapeake Bay Crossing Study: Tier 1 NEPA (Bay Crossing Study), the Maryland Transportation Authority (MDTA) invites all interested parties to join us at our upcoming 2019 Bay Crossing Study Open Houses.

Open House attendees will learn about:

- the environmental review process for the Bay Crossing Study,
- the overall study schedule,
- public comments received to date, and
- the alternatives development, screening process and results.

There will not be a formal presentation. Staff will be available to answer questions.

The same information will be provided at each Open House.

All meeting materials also are available at baycrossingstudy.com.
